

ABOUT US

Ocean Orthodontic Clinic is a specialist led Orthodontic practice conveniently located in Torbay. We are the only specialist orthodontic practice in Torbay.

This leaflet tells you about our practice and the services that we provide. Should you have any further questions, please contact the practice on 01803 613311, who will be pleased to assist you.

We have a contract with NHS England to provide specialist orthodontic services for patients under the age of 18 years. Guidelines set by the NHS and the Government are followed to assess a person's eligibility for NHS orthodontic treatment. If a patient is eligible for treatment their name will be added to the treatment list.

All patients wishing to be seen for an NHS assessment will require a referral to be sent to us by their dentist

In circumstances where a patient is not eligible for treatment on the NHS, self-funded options can be discussed. For further information on our full range of private services, please speak to a member of our team, who will be more than happy to help.
